more kinds of amusement.

交不同的朋友最明显和最没有争议的好处就在于你可以有更多不同种类的乐趣。

It is interesting if you can persuade your friends to enjoy your hobbies that he or she has never experienced before.

很有趣的事情就是如果你能说服你的朋友也喜欢你的爱好。这些爱好都是他们之前不曾有过的。

And your friend's amusement will bring you more enjoyable time.

I am writing this advertisement to sell my computer. I have used it for less than a year, so it is almost new. Frankly speaking, I love it very much. But my uncle has brought a new one for me. Then, I don't want to put it in my box and waste it. The Brand of this used computer is Lenovo, a very famous brand, an international brand, as you know. If you want to learn something about coding language, my computer can help you a lot. You can run almost all software on it. It is really fast. The color of my computer is snow white and keyboard is deep black. The price I want to charge is only 1000 RMB. I believe it is an attractive price. This is really cheap! You can buy it nowhere! Only here! I am crying for it! So, anyone who wants to buy my computer can call me in the evening from 21:00 to 22:00.

While enjoying the benefits brought by these changes, we have to guard against their possible detrimental impacts.

第四篇: 科技发展

第一段:

Nowadays we are entering a brand new era full of opportunities, and some novel technologies or devices are changing our traditional way of thinking as well as the people's way of life.

现在我们正在进入一个充满着机会的崭新的时代。一些新的技术和装备正在改变着我们传统的思维方式以及人们的生活方式。

Of all changes witnessed by the past decade in our way of life, the fairly far-reaching one maybe the dramatic growth of Internet applications.

the artificial intelligence; the big data and cloud computing; the virtual reality; the face recognition; the online shopping, the online education;

在过去的十年间我们所能见证到的生活方式的所有的改变当中, 影响相当深远的的一个变化可能就是互联网应用的快速增长, 巨大增长。

第二段:

The overuse of smart phones and the overload of information may cause more harm than good, especially for **youngsters**. the elders

过度使用智能手机以及信息的过载带来的坏处会比好处多,特别是对年轻人而言。

The possible danger brought by the misleading information on the social media may cause great loss for us, especially for the elders.

The addiction to online games is not only harmful but also detrimental.

沉迷于网络游戏,不仅有害而且非常有害。

For example ,some popular mobile phone games such as The glory of the king really **waste, lavish and even squander** youngsters' prime time, which lead to their lower grades and even future lower achievement.

举个例子,一些流行的手机游戏比如说王者荣耀真正的就在年轻人的黄金时间。这就导致了他们成绩不高甚至将来成就也不高。

The use of mobile Internet will leave some people, especially the senior citizens, vulnerable to the misleading information on the Moments of the Wechat or other social networking websites.

使用移动互联网常常会使一些人特别是老年人受到在微信朋友圈或者其他的一些社交网站上误导信息的影响。

第三段:

On the other hand, some social network apps, such as Wechat, Facebook and weibo, have exerted profound influence on the way we play, we learn and we live, especially on the way we learn the information.

另一方面,一些社交网络的应用,比如说微信,Facebook以及微博确实对我们的玩耍方式学习方式生活方式特别是了解信息的方式产生了巨大的影响。

Furthermore, the smart phone and some meaningful applications may give our seemingly tedious and routine life some colors and entertaining affairs.

进一步的讲,智能手机以及其它一些有意义的运用。可能会为我们单调枯燥的生活带来一些色彩和一些有趣的事情。

补充一:网络购物:

These days, online shopping has become increasingly popular in our country. The last decade has witnessed a dramatic increase in the number of people opting for e-purchasing.

Given the security and product quality concerns, however, I am against shopping online.

Firstly, E-commerce (using credit cards or saving account) leaves the clients vulnerable to banking fraud or Internet hacking. According to a survey conducted by a Chinese Academy of social science (ACSS), this drawback of the e-commerce has been listed as the biggest barrier for the development of online shopping. In addition, the quality of the products bought online, especially on Taobao owned by Jack Ma, cannot be guaranteed. A lot of friends around me are victims of counterfeit Taobao products.

It is true that online shopping offers an attractive list of benefits, with the most obvious being the convenience it brings to the shoppers. Nevertheless, due to its security and product quality concerns, I personally hold that online shopping is far from being a good choice for shoppers.
